LEADING EDGE TRAIN THE TRAINER & STAFF EDUCATION

FALL PREVENTION, BED SAFETY, RESTRAINT REDUCTION AND ALTERNATIVES PROGRAM.

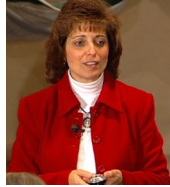

This 3 credit hour program, recorded in live audience seminars to healthcare professionals by nationally recognized speakers. New and innovative techniques integrated into power point slides to make learning easier. Live format and audience questions enhance the learning experience. Advances your own In-service training to the next level. Packaged with two DVD's, workbook and 200 pages of tools/documentation.

PROGRAM SPEAKERS

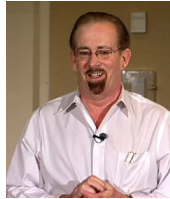

**DR. DEIDRE
CAROLAN -**

Deidre Carolan Doerflinger, Ph.D., CRNP is a certified Adult and Gerontologic Nurse Practitioner. She is currently working as a Geriatric Clinical Nurse Specialist, providing leadership for an inpatient geriatrics multidisciplinary consulting service serving as project manager for Niche, working with staff to improve care of the elderly and is the clinical nurse specialist for the HELP program at Inova Health System. Deidre is Adjunct Assistant Professor of Psychiatry and Behavioral Sciences, George Washington University School of Medicine and Health Sciences. As a nurse practitioner, Deidre is an expert in the areas of fall prevention/protection and restraint reduction.

MARIA CVACH

Maria Cvach MS, BSN is Assistant Dir. Of Nursing for Regulatory Affairs for Johns Hopkins Health System, which includes a 400 bed Geriatric Center. Maria is a legal nurse consultant and a nursing education consultant. She is co-author of the nationally recognized, The Johns Hopkins Fall risk Assessment Tool an evidence based Approach to Fall Risk Assessment, Prevention and Management.

PATRICK DEVANEY

Patrick Devaney BA Psychology, has been a consultant/trainer to numerous Healthcare facilities, Corporations and LTC/DON Associations. Most recently as Executive Director of a state DONILTC Association. Has trained thousands of LTC and Critical Care facilities as a speaker on fall prevention, bed safety and restraint alternatives in one and three hour accredited speaking engagements. His programs have been nationally accredited by the ANA for over 12 years with excellent results.
